ARTICLE II

NEGOTIATION PROCEDURE

- 2-1.1 Not later than August 1st, the parties agree to enter into negotiations, in accordance with the procedures set forth herein, in a good-faith effort to reach agreement on all matters raised by either party concerning salaries, fringe benefits, and other areas covered by this Agreement. Any agreement reached shall be reduced to writing and signed by the Board and the Association. Any agreement reached which requires the expenditure of public funds for its implementation shall not be binding upon the Board, unless and until the voters have made the necessary appropriations. The Board shall make a good-faith effort to secure the funds necessary to implement said agreements. If such funds are not forthcoming, the Board and the Association shall resume negotiations regarding the matters affected thereby, in accordance with the provisions of this Agreement.
- 2-1.2 The Board shall make available to the Association information which the Board is required by law to release to the general public. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional representatives to assist in negotiations.
- 2-2.1 If by November 15th the parties fail to reach agreement on any matter or matters which are the subject of negotiation, either party may declare an impasse. In the event of an impasse, either party may request the appointment of a mediator for the purpose of assisting them in reconciling their differences and resolving the controversy on terms which are mutually acceptable.
- 2-2.2 The parties will select a mediator from a panel presented by the American Arbitration Association. The mediator will meet with the parties or their representatives, or both, forth-with, either jointly or separately, and will take such other steps, as he/she may deem appropriate, in order to persuade the parties to resolve their differences and affect a mutually acceptable agreement. If the dispute is not resolved prior to December 15th, the mediator shall make findings of fact and recommend terms of settlement regarding the disputed matters submitted to him/her. Said recommendations shall be advisory only and shall be made within thirty-one (31) days of his/her appointment. Either the Hampton School Board or the Association may make such findings and recommendations public, if no agreement is reached within ten (10) days after their receipt from the mediator.
- 2-3 The costs for the services of the mediator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be shared equally by the Board and the Association.
- 2-4 Areas covered by this Agreement shall be proper subjects for the impasse procedure set forth herein.

ARTICLE III
GRIEVANCE PROCEDURE

3-1 Definition:

3-1.1 A "Grievance" shall mean a complaint by any Employee covered under Article I, Recognition, that there has been a violation, misinterpretation, or inequitable application of any of the provisions of the Agreement governing Employees. A grievance to be considered under this procedure must be initiated by the Employee within twenty (20) calendar days of its occurrence, or within twenty (20) calendar days of when the Employee should have reasonably known of its occurrence.

3-1.2 The term "school days" when used in this article shall mean contracted teacher days on the District calendar, except after the end of the school year, when it shall mean Monday through Friday.

3-2 Procedure:

3-2.1 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved Employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

3-2.2 It is understood that Employees shall, during and notwithstanding the pending status of any grievance, continue to observe all assignments and applicable rules and regulations of the Board and administration until such grievance and any effect thereof shall have been fully determined.

3-2.3 Year-end Grievances: By mutual agreement of the parties, the time limits in the grievance procedure may be reduced to facilitate the resolution of a grievance prior to the end of the school year or as soon thereafter as is practicable.

3-3 Any Employee who has a grievance shall discuss it first informally with his/her Principal (or immediate supervisor, if applicable) in an attempt to resolve the matter informally at that level.

3-4 If, as a result of the discussion, the matter is not resolved by written or verbal response to the satisfaction of the Employee within two (2) school days, he/she shall set forth his/her grievance in writing to the Principal within three (3) school days specifying: (a) the nature of the grievance and date it occurred; (b) the provision in the Agreement that allegedly was violated; (c) the results of previous discussions; (to his/her dissatisfaction with decisions previously rendered). The Principal shall communicate his/her decision to the Employee in writing within three (3) school days of receipt of the written grievance.

- 3-5 The Employee, no later than five (5) school days after receipt of the Principal's decision, may appeal the Principal's decision to the Superintendent. The appeal to the Superintendent must be made in writing, reciting the matter submitted to the Principal, as specified above, and the Employee's dissatisfaction with decisions previously rendered. The Superintendent shall meet with the Employee to attempt to resolve the matter as quickly as possible, but within a period not to exceed five (5) school days. The Superintendent shall communicate his/her decision in writing to the Employee and the Principal within seven (7) school days.
- 3-6 If the grievance is not resolved to the Employee's satisfaction he/she, no later than three (3) school days after receipt of the Superintendent's decision, may request a review by the Board. The request shall be submitted in writing through the Superintendent who shall attach all related papers and forward the request to the Board within three (3) school days. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, or upon request of the grievant, hold a hearing with the Employee and render a decision in writing within twenty (20) calendar days of receipt of the grievance by the Board or of the hearing with the Employee, whichever comes later.
- 3-7.1 If the decision of the Board does not resolve the grievance to the satisfaction of the Employee grievant, and he/she wishes review by a third party, he/she shall so notify the Association within ten (10) school days of receipt of the Board's decision. If the Association determines that the matter should be reviewed further, it shall in writing so advise the Board through the Superintendent within fifteen (15) school days of receipt of the Board's decision. Either party may then initiate a request for arbitration under the procedure set forth herein.
- 3-7.2 No matter shall be considered a proper subject for arbitration or be subject to the arbitration provision set forth herein, if it pertains to (a) any matter for which a specific method of review is prescribed by law or (b) any rule or regulation of the State Commissioner of Education or (c) any by-law of the Board pertaining to its internal organization or (d) any matter which according to law is either beyond the scope of Board authority or limited to unilateral action by the Board alone or (e) a complaint of a non-continuing contract Teacher which arises by reason of his/her not being re-employed or (f) a complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which continuing contract status is either not possible or not required.
- 3-7.3 Such request can be honored only if the Association waives the right, if any, in writing of said Association to submit the underlying dispute to any other administrative or judicial tribunal except for the purposes of enforcing the arbitrator's award.
- 3-8 Procedure for Securing the Services of an Arbitrator - The following procedure will be used to secure the services of an arbitrator:
- 3-8.1 A request shall be made to the American Arbitration Association to submit a roster of persons qualified to function as arbitrators in the dispute in question.

- 3-8.2 If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they shall request the American Arbitration Association to submit a second roster of names.
- 3-8.3 If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the American Arbitration Association may be requested by either party to designate an arbitrator.
- 3-8.4 The hearing before the arbitrator will be held within thirty (30) calendar days. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she may add nothing to nor subtract anything from the Agreement between the parties.

The findings of the arbitrator shall be final and binding. Only the Board and the grievant and his/her representative shall be given copies of the arbitrator's report. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearing.

3-9 Rights of Employees to Representation:

- 3-9.1 A grievant may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, by the Association, or by a representative selected or approved by the Association.
- 3-9.2 When a Teacher is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the grievance to the Superintendent, or any higher level, be notified by the Superintendent that the grievance is in process. The Association shall have the right to be present and present its position in writing at all hearing sessions held concerning such grievance and shall receive a copy of all decisions rendered.
- 3-9.3 The Board and the Association shall assure all parties freedom from restraint, interference, coercion, discrimination or reprisal in presenting their appeal with respect to their personal grievances.

3-10 Costs:

- 3-10.1 Each party shall bear the total cost incurred by itself.
- 3-10.2 The fees and expenses of the arbitrator are the only costs which will be shared by the two parties, and such costs shall be shared equally.
- 3-11 If the parties disagree as to the meaning or interpretation of any of the provisions of this Agreement, either party may utilize the grievance procedure set forth in Article III in order to resolve said dispute.

- 3-12 If, in the judgment of the parties, a particular grievance shall affect a group (more than one) of Teachers, the Association may join in the processing of the grievance and become a party thereto.
- 3-13 Judgment to process a grievance under this provision shall not indicate agreement as to the validity of the grievance, but only that the parties view such action as an expeditious means of resolving said grievance.
- 3-14 All documents, communications and records dealing with the processing of a grievance may be filed, provided however, that such documents, communications, or records shall not be forwarded to any prospective employer of the grievant, nor shall such documents be revealed or the grievance(s) be alluded to in any communication between the administration and said prospective employer.

ARTICLE IV

PEACEFUL RESOLUTION OF DIFFERENCES

- 4-1 The Association and the Board agree that any differences between the parties on matters relative to the Agreement shall be settled by the means herein provided. The Association, in consideration of this Agreement and its terms and conditions, shall not, during the term of this Agreement, engage in or condone any strike, work stoppage or other concerted refusal to perform any assignment on the part of any Employee(s) represented hereunder, nor shall the Board sponsor any lockouts.

ARTICLE V

TEACHER EVALUATION

- 5-1 Observation of the work performance of a Teacher will be conducted continuously. Formal observation sessions shall be conducted with the full knowledge of the Teacher. All other observations of the Teacher's work performance, which are to be made part of his/her file, will be made known to the Teacher as soon as possible.
- 5-2 A Teacher shall be given a copy of any evaluation report prepared by his/her evaluators before any conference held to discuss it. If the Teacher is dissatisfied with his/her evaluation conferences, he or she may request additional conference time prior to the evaluation being placed in his/her file. No such report shall be submitted to the central office, placed in the Teacher's file or otherwise acted upon without a prior conference with the Teacher. The Teacher shall sign such report. Such signature shall indicate only that the report has been read by the Teacher, and in no way indicates agreement with the contents thereof. The Teacher shall be given an opportunity to respond to and/or rebut this evaluation which, along with the evaluation, shall become part of his/her file.
- 5-2.1 Copies of the established evaluation procedures shall be available to all Teachers.

- 5-3.1 Those complaints regarding a Teacher made to any member of the administration by any parent, student, or other person which may be used in any manner in evaluating a Teacher shall be promptly investigated. It shall be the responsibility of the administrator to inform the Teacher in question, and to obtain this Teacher's opinion of the situation, if it appears to be a complaint of such a magnitude that it may eventually be placed in the Teacher's file. The Teacher shall be given an opportunity to respond to and/or rebut those complaints, which, as a result of the investigation, shall become part of his/her file.
- 5-3.2 The Teacher shall acknowledge that he/she has had the opportunity to review such complaint by affixing his/her signature to the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The Teacher shall also have the right to submit a written answer to such material and his/her answer may be reviewed by the Superintendent or his/her designee and shall be attached to the file copy.
- 5-3.3 All documents shall be filed, signature notwithstanding, and such action shall be so indicated by the supervisor. The Association shall be informed if any Employee described in the unit in Article I refuses to sign derogatory or evaluation material that is being placed in his/her file.
- 5-4 Changes in the uniform evaluation procedure will not be made without prior consultation with the Association. This consultation with a committee from the Association shall be on a meet and confer basis. This consultation shall occur at least during the 2012-13 school year concerning changes to the uniform evaluation procedure to be implemented starting in the 2013-14 school year; however, such consultations also may occur at other times.
- 5-5 No Teacher shall be disciplined unless a just cause appears.
- 5-6.1 Each Teacher shall be entitled to knowledge of and access to all supervisory records and reports of competence, personal character and efficiency maintained in his/her personnel file with reference to evaluation of his/her performance in such School District. No document to which an individual has not been given access shall be utilized against the individual.
- 5-6.2 Upon twenty-four (24) hours notice, each Teacher shall have the right to review and reproduce, by hand or copy machine, material in his/her personnel file .
- 5-6.3 The Teacher shall have the right to answer any material filed, and the Superintendent will review his/her answer, and the answer shall be attached to the file copy.
- 5-6.4 In the event of a parent-Teacher meeting which proves abusive and threatening to a Teacher, the Teacher may terminate the meeting. The Principal or other appropriate supervisor shall be notified as soon as possible of any meeting which is terminated for the preceding reason.

ARTICLE VI

TRANSFERS, ASSIGNMENTS AND REASSIGNMENTS

- 6-1 No later than April 15th of each school year, the Superintendent shall make available to the Association and post in all school buildings a list of all the known unfilled positions, which he/she expects to fill prior to the opening of school. Revisions of the aforementioned list shall be made as of June 1 and during the summer. During the summer the list will be posted in the SAU 90 Office and on the district website. It also shall be forwarded to the Association President and Secretary at their summer addresses as filed with the Board.
- 6-1.1 A Teacher who desires a change in grade and/or subject assignment within the Hampton School District may file a written statement of such desire with the current building Principal no later than April 30th. Such statement, which shall be confidential until the Teacher becomes a serious candidate, shall include the name of the school and the grade and/or subject to which the Teacher desires to be assigned, in order of preference. This statement shall also include a request for a personal interview with the Superintendent, the Principal, or their designees of the school at which the aforementioned position is available. Said Principal shall then notify the Superintendent of the applicant's interest in the position and arrange an interview date, notifying the applicant once said date is arranged. The individual's qualifications and experiences shall be considered. The final decision pertaining to assignments rests with the Superintendent. Upon the decision of the Superintendent, the Superintendent shall notify in writing the parties involved no later than May 20th.
- 6-2 As soon as practicable, and no later than the last two weeks of school, the Superintendent shall post in each school and make available to the Association President a system-wide roster showing the names and tentative assignments of all personnel. In the event of change of assignment or transfer, the Teacher involved shall be notified at the earliest possible time; however, every effort shall be made to avoid assignment changes after August 1. In the event of a change of assignment or transfer and upon the request of the Teacher, a consultation with the Superintendent or his/her designee shall be held. If the Teacher is dissatisfied with the decision he/she may appeal to the Board.
- 6-3 In order to assure that pupils are taught by Teachers working within their areas of competence, Teachers will not generally be assigned outside the scope of their teaching certificates and/or their major or minor fields of study.
- 6-4 When it is determined by the Board to decrease the number of Teachers, the District will lay off the necessary number of Teachers based on criteria which includes their seniority in the District, ability, performance, qualifications (including but not limited to certification) and experience within the departments, grade range and program in which the reduction in force is being made. The criteria for the selection of the returning Teacher(s) will be the same as that applied in the layoff process. Any Teacher laid off from his/her position shall be assigned to fill any position for which he/she is certified and is "Highly Qualified" (as defined by federal and state statutes

and regulations) within the Hampton School District which becomes open within twelve (12) months of the layoff. The layoff period shall begin on the day following the last working day. Any Employee will be granted a three (3) month extension for recall upon receipt of a request for such an extension. A request for an extension must be made in writing in the eleventh (11th) month of layoff, and must be sent via certified mail to the Superintendent. When the Board determines that a position is to be filled, a laid-off Teacher shall be notified by registered or certified mail by the Superintendent. If a Teacher rejects the offer or fails to respond to the Superintendent within fifteen (15) calendar days after receipt of the notice, and the position offered is the same position as the one last held by said Teacher, said Teacher will be deemed to have refused the position offered and will be removed from his/her recall standing and will have given up all rights under the contract. If a Teacher rejects the offer or fails to respond to the Superintendent within fifteen (15) calendar days after receipt of the notice, and the position offered is other than the position last held by said Teacher, the Teacher may refuse, but in so doing will lose all contract rights to the position offered. Any layoff will be made in accordance with the following procedure: in the event of a change of assignment or transfer as a result of the layoff procedure, the Teacher involved shall be notified at the earliest possible time of such a change. In the event of such a change, upon request of the Teacher, a consultation with the Superintendent or his/her designee shall be held.

- 6-5 Notice of all open certificated positions in the Hampton School District shall be posted in the schools and sent to the Association President. The posting notice shall set forth the qualifications for the position and the minimum salary the Board expects to pay. Individuals interested in applying for the position shall do so in the manner prescribed in the notice within five (5) days after the date of the notice. No permanent appointment to a position posted shall be made until ten (10) days after the posting notice has been issued. In the event of an August resignation, the Superintendent shall notify the President of SEA, or the President's designee, of the opening.
- 6-6 Whenever possible, substitute Teachers shall be provided for Teachers who are absent from school.

ARTICLE VII

TIME REQUIREMENTS

- 7-1 As a professional, each Teacher is expected to devote to his/her work the time necessary to accomplish the task at hand. As a part of their professional responsibility, Teachers shall (a) attend department, curriculum, and other professional staff meetings designed to provide meaningful professional growth or to clarify school business in general; (b) assist pupils with their subject problems on an after school basis and (c) participate in school-related activities at the direction of the administration. Time, frequency, and notice of such activities shall be reasonable. Student activities, which require Teacher supervision after school hours, will be initially handled on a voluntary basis. In the event there are insufficient volunteers, the duties will be assigned by the school administration. Non-teaching duties may be assigned to personnel other than Teachers. Scheduled Hampton School District-wide and building-wide staff meetings

will normally have four (4) days' advance notice and an agenda. It is recognized that the demands upon Teachers for professional growth individually, and for program development collaboratively, have significantly increased. Such demands will continue as professional staff explore, develop and implement new programs and practices to serve the diverse needs of students in a changing society. Those scheduling required meetings need to be sensitive to the growing demands upon Teacher time lest their self-renewal, classroom follow-up and preparation time be impacted to the degree that Teacher effectiveness in the classroom is diminished. The Superintendent will meet upon request from the representatives of the Association each month to discuss the administration of 7-1.

- 7-2 The Association agrees that a Teacher's day is not necessarily coterminous with that of a pupil; further, that the Board has a right to establish the time of the pupils' and Teachers' day. Changes in the length of day shall not be made without meeting and consulting with the Association.
- 7-3 In general, the Teachers shall be free to act with professional discretion relative to their time of arrival at school in the morning or leaving of school in the afternoon. However, it is expected that Teachers will arrive at school approximately fifteen (15) minutes prior to the normal opening of school and will remain in school approximately fifteen (15) minutes after the normal closing of school for pupils. Teachers, however, may leave school immediately after the normal closing of school for pupils on Fridays and the day before a holiday or vacation period.
- 7-4 The Board agrees that each Teacher shall have a duty-free lunch period daily of a reasonable duration; such lunch period shall in no event be less than that afforded to the students.
- 7-5 All Teachers in Hampton Academy shall be provided with an uninterrupted preparation period of the same duration as a class period for students each school day when students are in attendance. All elementary classroom Teachers shall be provided with one uninterrupted preparation period of no less than thirty-five (35) minutes' duration, when students are in attendance.

ARTICLE VIII

TEACHER WORK YEAR

- 8-1 The Teacher Work Year shall be not more than 188 days except for Teachers new to the district who may be required to attend orientation or in-service sessions for a period not to exceed an additional three (3) days. The participants and administration will evaluate the effectiveness and worth of the orientation days in a manner established by the Superintendent .
- 8-2 School Calendar
 - 8-2.1 The proposed school calendar for each year shall be set forth in Appendix F that is attached hereto and made a part hereof.

- 8-2.2 Each school year the number of pupil days shall not exceed the number set forth in the school calendar.
- 8-2.3 Every reasonable effort shall be made to avoid any changes in the school calendar after September 1, but in the event that a change is being considered, the Superintendent shall notify, meet and consult with the Association relative to the proposed change in the calendar.
- 8-2.4 In the development of the school calendar, the Superintendent shall meet and consult with the representatives of the Association in developing the school calendar prior to determination of the calendar by the Hampton School Board.

ARTICLE IX

SICK LEAVE

- 9-1.1 Each Teacher shall be granted leave for personal illness or illness in the immediate family (as defined in 10-4.) The maximum number of days to be granted per year is as follows: 12 DAYS
- 9-1.2 Teachers not completing their contract shall have their sick leave entitlement prorated as listed below. If they have exceeded the amount of sick leave to which they were entitled, they agree to reimburse the Board to the extent they have exceeded said leave. Reimbursement shall be prorated on the basis of 1/188.

1.2 days/month of service or part thereof

- 9-1.3 Sick leave shall be accumulative from year to year up to the following number of days. No grandfathered days are allowed for accumulation of over 130 days as of June 30, 1998.

Maximum accumulated days to be carried forward:

120 Days for employees hired before July 1, 2012

90 Days for employees hired on or after July 1, 2012

- 9-1.4 If teachers' payroll stubs do not include accounts of their accumulated sick/personal leave, teachers shall be given annually a written account of their accumulated sick/personal leave with the first paycheck of the school year.
- 9-2 Utilization of the sick leave entitlement for the purpose of illness in the immediate family shall be limited to the yearly allowance stated in Article 9-1.1 and shall not include utilization of accumulated sick days. Enlargement of the foregoing provision may be made in extenuating circumstances upon the recommendation of the Superintendent and approval of the Board.
- 9-3 A sick leave bank is established in the Hampton School District. Each Teacher in the District may donate up to three (3) days of accumulated sick leave each year in June (new Teachers in September). The District's bank shall be allowed to accumulate up to

a maximum of ninety (90) days. In the event that the sick leave bank falls below twenty-five (25) days in any contract year, bargaining unit members may contribute up to an additional sixty-five (65) days one time that year. Any Teacher within the District may borrow up to a maximum total of thirty (30) days a year from the sick bank on the following basis: (1) his/her accumulated leave has been used up and (2) he/she has been involved in a major operation or a serious and prolonged illness and (3) the days borrowed would be paid back by the borrowing Teacher at a rate of not less than three (3) per year, with the exception that contributed days by the borrowing Teacher would be subtracted from days borrowed. Applications for use of the sick leave bank shall be made to an Association-designated committee of Teachers in the District for disposition and then submitted to the building Principal. The SAU 90 office will administer approved applications for sick leave. For teachers who take maternity leave, sick bank leave will be available in accordance with this section only for those periods of time that the teacher is disabled.

- 9-4 If an employee uses sick days on five or more consecutive work days, the Superintendent or his/her designee may require the employee to provide a physician's note justifying use of sick leave.

ARTICLE X

TEMPORARY LEAVES OF ABSENCE

- 10-1 Teachers shall be entitled to non-cumulative leaves of absence with full pay each school year. Personal leave days of up to three (3) full days or six (6) half days per Teacher in any contract year shall be allowed for legal, personal, and business affairs provided that the leave will be taken for purposes which could not be reasonably accomplished on other than a school day. Approval of the Superintendent and the recommendation of the Principal shall be required and shall not be unreasonably withheld. Said leave shall not be used to extend holidays or vacations except by special action of the Superintendent. Personal leave may not be taken for recreation. Personal leave may be used for religious holidays.
- 10-2 Leaves taken pursuant to this section shall be in addition to any sick leave to which a Teacher is entitled.
- 10-3 Request for such leave shall be in writing adequately in advance of the day requested except in emergencies. Said request shall state that it is taken under the appropriate contract reference.
- 10-4 Bereavement Leave
- 10-4.1 Three (3) days shall be given in the event of death in the immediate family. "Immediate family" shall mean husband, wife, domestic partner living in the home of the Employee, son, daughter, mother, father, sibling, mother-in-law, father-in-law, grandmother, grandfather or any other relative living in the home of the Employee or for whom the Employee provides support. Upon prior notice to the Principal, an

additional two (2) days of funeral leave shall be granted due to circumstances at the time of death in the immediate family.

- 10-4.2 Teachers shall be entitled to three (3) days each school year for bereavement leave for the death of a person who is not in the teacher's immediate family. Additional days may be granted by the administration due to the specific circumstances involving the teacher.
- 10-5 If a Teacher is requested by the Superintendent to attend a function on behalf of the Board, such time shall not be charged to the Teacher's personal time.
- 10-6 The Superintendent may make recommendations for the extension of any of the above leaves and, upon approval of the Board, grant such extension.
- 10-7 Collectively up to a total of seven (7) days per year will be granted to representatives of the Association to attend conferences and conventions of the N.E.A.-N.H. These temporary leaves of absence days will be granted only for those meetings, which are held for educational purposes, such as methods of teaching students, or issues relating to the field of education.
- 10-8 Leaves for school visitations and attendance at professional meetings, conferences, and conventions may be granted upon approval of the Superintendent upon recommendation of the Principal and shall be in addition to the above personal leave.
- 10-9 Temporary active duty days of up to two (2) weeks for Teachers called into temporary active duty by any unit of the United States Reserves or the State National Guard shall be given, provided such obligations cannot be fulfilled on days when school is not in session. EXTENDED LEAVES OF ABSENCE

- 11-1 A leave of absence without pay or any other benefits, of up to two (2) years may be granted to any Continuing Contract Teacher who joins the Peace Corps, VISTA, or National Teacher Corps. Upon return from such leave a Teacher shall be placed on the salary schedule at the level which he/she left.
- 11-2 Military leave without pay shall be granted to any Teacher who is inducted or enlists in any branch of the armed forces of the United States for the period of said induction or initial enlistment.

11-3 Maternity leave will be handled in the following manner:

11-3.1 Maternity leave of up to one (1) calendar year is an earned benefit available after the first twelve (12) months of continuous service in the District. Said maternity leave will be granted without pay or other benefits, except for health insurance benefits which will be continued with the District paying the percentage stated in Appendix C to complete the initial year of leave, and the subsequent summer if the Employee has signed a contract for the following year, but not to exceed a maximum of six months; thereafter, health insurance benefits may be continued at the Employee's expense. A Teacher may return from maternity leave only at the start of an academic quarter within the one calendar year maximum of leave, unless the Superintendent approves the Teacher's request to return on a different date. Notification of said leave should indicate the date on which the Employee expects to begin her leave and the date on which she expects to return to her position. Except in cases of emergency, the Teacher shall notify the Superintendent of her request for a maternity leave of absence at least sixty (60) days prior to the date on which the leave is to begin. A Teacher who is pregnant may continue in active employment until as late into her pregnancy as she desires provided in the judgment of the Principal she is able to perform all her normal and regular duties and, if requested, with the written approval of her attending physician. The Principal's judgment in the preceding sentence would be subject to grievance by the Teacher if she does not concur.

Prior to going on maternity leave of absence, a Teacher while actively employed shall be entitled to receive available sick leave. Once the Employee actually goes on maternity leave of absence, she is not entitled to any pay or sick leave or other benefits except she may continue health insurance, as described above, and life insurance at her own expense. Life insurance as a benefit may be continued during maternity leave at the employee's expense if the group life policy provides for this benefit.

11-3.2 If the pregnancy is terminated before full term and birth of the child, the Teacher may apply for termination of leave to return to work in accordance with Article XI, 11-12. Termination of the leave and return to work will be granted upon the recommendation of the Superintendent, and if requested, with the written approval of her physician.

11-4 Paternity leave of up to one (1) calendar year is an earned benefit available after the first twelve (12) months of continuous service in the District. Said paternity leave will be granted without pay or benefits, except for health insurance benefits which will be continued with the District paying the percentage stated in Appendix C to complete the initial year of leave, and the subsequent summer if the Employee has signed a contract for the following year, but not to exceed a maximum of six months; thereafter, health insurance benefits may be continued at the Employee's expense. A Teacher may return from paternity leave only at the start of an academic quarter within the one calendar year maximum of leave, unless the Superintendent approves the Teacher's request to return on a different date. Notification of said leave should indicate the date on which the Employee expects to begin his leave and the date on which he expects to return to his position. Except in cases of emergency, the Teacher shall notify the Superintendent of his request for a paternity leave of absence at least sixty (60) days prior to the date on which the leave is to begin.

- 11-5 Any Teacher adopting an infant shall be granted a leave of absence up to a period of one (1) calendar year without pay. A Teacher may return from adoption leave only at the start of an academic quarter within the one calendar year maximum of leave, unless the Superintendent approves the Teacher's request to return on a different date. Said adoption leave is an earned benefit available after the first twelve (12) months of continuous service in the District, and shall commence upon receiving *de facto* custody of said infant, or earlier if necessary to fulfill the requirements for the adoption.
- 11-6 A leave of absence, without pay or any other benefits, of up to one (1) year may be granted to any Continuing Contract Teacher for the purposes of caring for a sick member of the Teacher's immediate family. Additional leave may be granted upon recommendation of the Superintendent and approval of the Board. Said leave, if granted, shall be in writing.
- 11-7 Other requests for leaves of absence for special reasons may be granted by the Board upon the recommendation of the Superintendent.
- 11-8 Employees on approved leaves of absence covered under Sections 11-1 through 11-7 may continue hospital, medical insurance and life insurance at their own expense provided the insurance carriers are willing to accept such coverage and further provided that there are no additional costs to the District as a result of such coverages.
- 11-9 All benefits to which a Teacher was entitled at the time of his/her leave of absence commenced, including unused accumulated sick leave, shall be restored to him/her upon his/her return. Whenever possible, taking into account the best interests of the District, a Teacher returning from leave will be reassigned to the position (grade level, subject area) he/she held when the leave began. Otherwise he/she shall be assigned within the scope of his/her certification.
- 11-10 Employees on approved leaves of absence covered under Sections 11-2 through 11-6 shall not receive increment credit for time spent on a leave.
- 11-11 All extensions, renewals or modifications of leaves shall be applied for in writing, and, if granted, be in writing. The Board upon the recommendation of the Superintendent shall act upon such extensions or renewals.

- 12-1.5 Requests for sabbatical leave on a basis other than the criteria established herein shall be given consideration and nothing contained herein shall prohibit the Board from granting such leaves. However, such requests must contain significant rationale setting forth the value of such leave to the District. Upon the recommendation of the Superintendent and the approval of the Board, such leave shall be granted.
- 12-1.6 Upon return from sabbatical leave, a Teacher shall be placed on the salary schedule at the level which he/she left.

The committee will begin meeting by June 30, 2012, and will report its recommendations in writing no later than September 15, 2012; the committee also may meet and make recommendations more frequently if the Board and the Association mutually agree to do so. MEMORANDUM OF AGREEMENT EXTRA-CURRICULAR STIPENDS COMMITTEE

A joint committee shall be established to study and make recommendations for revisions to the extra-curricular stipends schedules that are set forth in Appendix B for the Hampton School District. The committee shall consist of four members, two of them appointed by the Association and two of them appointed by the Board. The committee shall submit its recommendations in writing to the Association and to the Board no later than April 1, 2012. The committee's recommendations shall not total more in cost for the Hampton School District's extra-curricular stipends than the amount approved at the 2012 Hampton School District Annual Meeting to fund the stipends that are listed in Appendix B pursuant to this tentative agreement. The committee's recommendations shall not be binding upon either the Association or the Board. If, after receiving the committee's recommendations, the Association and the Hampton School Board agree to modify the stipends in Appendix B, the modifications shall be placed in writing and appended to the collective bargaining agreement.
